INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jistine Turner and William D. Grover, who also prepared these introductory remarks.

Sir:

Your letter of March 1, 1908, relative to your application No. 29151, is at hand.

In reply you are advised that it will be entirely unnecessary for you to employ any attorney to present your case before this office.

It appears from the face of your application that you are a Creek and Catawba Indian by blood, and are not an Eastern Cherokee Indian by blood.

Under the terms of the decree of the Court of Claims the fund to be distributed is to be paid only to those who can show that they are Eastern Cherokees by blood, and that they or their immediate ancestors were parties to the Treaties of 1835-6 or 1846 between the United States and the Eastern Cherokee Indians.

It would, therefore, be useless, as above stated, for you to employ an attorney to present your claim.

Very respectfully,

Special Commissioner.

App. No. 29151

April 3, 1908.

A. J. Qualls,

Sir:-

Your letter of March 26, 1908 is at hand. In it you state, "that in giving in mine and my children's application for claim, I gave and swore to affidavit as follows: 'that my grandfather on my father's side was a half-bred Cherokee and white'". In reply, you are advised that your application #29151 on file in this office does not contain the statement referred to in your letter. No where in that application is there a statement that you or your children are Cherokee Indians. There is, however, the statement that your wife - the mother of your children - is a Creek Indian, and there is endorsed on your application the words "Creek, Catawba and" ahead of the printed "Eastern Cherokees", which would certainly clearly indicate that you claim as a Creek and Catawba Indian as well as possibly an Eastern Cherokee.

You are further advised that it does not appear from the records of the Indian office, that either you, your father or brother was enrolled with the Eastern Cherokees in 1851, nor does it appear that your father was enrolled in 1835, or that your grandfather was enrolled in 1835. Furthermore, it appears that your father through this red claim, was born in Lawrence County, Alabama

A.J.Q. - 2

and was living there in 1851. It is perfectly plain, therefore, that he was not living with the Eastern Cherokee tribe of Indians in 1835 or in 1846 and that he never did live with them. If, therefore, his father - your grandfather - was part Cherokee, it is manifest that your father at least had abandoned all connection with the Cherokee tribe long prior to the treaty of 1835 and could not, therefore, be held to have been a party to that treaty.

Insomuch as your application was headed "Creek", and the locality in which you and your father lived was inhabited by Creeks and not by Cherokees, it was natural for me to suppose that you were indeed a Creek and not a Cherokee Indian.

Under the circumstances, your claim will have to be marked for rejection.

Very respectfully,

Special Commissioner.

My name is John N. Tracey. I live at Lora, Ark. I was 34 years old last May, and I was born in Baxter Co., Ark. I claim my Indian blood through my father, whose name is L. C. Tracey. He lives in Baxter Co., Ark. I don't know how much Indian blood my father has. He was born in Ga., but I don't know what part. My father moved to Ark. before the Civil War. I cannot tell you how old my father is. My father came to Ark with his father. I cannot say whether he gets his Indian blood through his father or mother. His father's name was Nathaniel Tracey, and his mother Ann Tracey, whose maiden name was Gray. My grandparents came from Ga. I am not enrolled by the Dawes Commission, and my father was never enrolled or received an allotment. I never heard that my grandparents were enrolled. My father wrote us a year ago that he had Indian blood, and that is the first time I ever heard it. He told me that I had Indian blood and that I must file a claim. I am always called a white man. I could not tell you what kind of Indian blood I have in me. My father told me that my relations were Warhuck and McKee. That is all I know about it.

Dear Sir:-

Replying to yours of 16". We ~~know~~ know of no reason why our parents
or grand parents were not enrolled for participation in this fund.
None of our ancestors were slaves.

Our grandmother, on our fathers side, was a full blood Cherokee Indian
her maiden name was Martha Wartook, a ^{sister to} daughter of one Jonathan Wartook
our grandmother on our mothers side was also a full blood Indian, her
maiden name was Martha Grey, and her mother was named McGee.

Our Grandfather on our father side was named Nathaniel Tracy, and
our father was named Nathaniel Tracy. We moved from the State of Ga
to the Indian Territory in the year 1850, and moved from the Territo-
ry to the State of Arkansas in the year 1855. Our father Nathaniel
Tracy died in the year 1902.

I am no relation to Mr. Terry, and I have no interest in any claim in which he may have against the Government. I knew Catherine Terry in her lifetime. I only met her a few times in 1867 or 1868, at Whiterock, Tex. She never said anything to me about her having Indian blood, but before I ever saw her I had heard that she had Indian blood. I heard this through my aunt, Elvira Sampson, who said that Jim Sampson wanted to take me up and show me his Indian girl, meaning Annie Sampson nee Terry, the sister to James B. James B. Terry being first duly sworn deposes and says:

My name is James B. Terry, and I live at Mangum, Okla. I am 63 years old. I claim my Indian descent through my mother, Catherine Terry. She was a Boyles. My mother has been dead 7 years. She died in Tex. at the age of 81. She was born in Ky. It was somewhere near Bowling Green. She moved to Ill. when she was 7 years old, about 1828. She got her Indian blood through her mother, Rhoda Landers nee Hilderbrand. ~~Rhoda Hilderbrand was born in Ky. It was somewhere near Bowling Green. My grandmother got her Indian blood through the Hilderbrands. Her father I think, was a Cherokee. These Hilderbrands lived in Ky. but I do not know when they died or where. Hon. Guion Miller, (Special Com.)

#601 Ouzay Building,

Washington, D.C.

Dear sir:-

We are writing, asking for information as to what is necessary in the way of exceptions, and as to whether or not it will be possible for us to get the papers in the case or copies thereof, for the purpose of preparing such exceptions and affidavits as are mentioned, in the order, upon your report to the Court of Claims, of date May 28th 1909, with reference to the claims of Ellen C. Gripsley, R.R. #1 Bx. 31 c/o Jack Lawrence Cleburne, Texas.

29.176
Our information is that Mrs. Gripsley's father through whom she claims, was born in 1832, and died about nine years ago, and that one of her sisters was born in the year 1851, and that her father's father or her grandfather, was an Indian in such degree as entitles her to participate in the claim.

We will ask one further favor of you, which is that you give us the name of some competent lawyer or firm of lawyers at Washington, who give special attention to this character of claims, as we prefer to turn the matter over to some one more familiar with such matters than to attend to the matter ourselves.

We will greatly appreciate a prompt reply, for which we thank you.

Yours truly, *Phillips & Bledsoe*

App. No. 29176.

Phillips & Bledsoe,
Cleburne,
Texas.

Sirs:

Replying to your letter of August 7, 1909, you are advised that the application of Ellen C. Grigsley, of Cleburne, Texas, was rejected for the reason that she could not furnish satisfactory proof as to her connection with the Eastern Cherokees.

The ancestors through whom she claims her Eastern Cherokee descent do not appear to have been enrolled in 1835-6, or 1851, and it does not appear that her parents or grandparents were living with the Tribe in 1835-6 or 1846, or that they were in any way recognized by the tribe as members at that time. Testimony was taken in this case, but as stated above satisfactory proof could not be furnished.

The inclosed circular letter will give you more information as to what is required in filing exceptions.

Very respectfully,

Special Commissioner.

Mr. Miller,

Kind Sir,

I have just received your
letter of the 15th.

Now will state plainly
as I told Mr. Cagle of
the Territory that a few
years ago there was some
one in the Ter. that sent

the claim here & about
he wanting to take up
such for her. Well she
employed a Lawyer & he

interested in it. But

before long he was taken
sick & died & we never
did know any more
about it or hear rather
till I saw in the Atlan
ta cons. advertising
for such persons that
could prove their claims
now I told Mr. Cagle
all I know & he said
it was all perfectly sat-
isfactory & sent him \$2.50
which he said would
take & also refered him
for information to
Mr. Terrell at Austin
who could swear we were
of the Cherokee Blood

If you like, Mr. Miller
you may write to Mr
Terrell at Austin Tex.
He is a very old fellow
& will remember Mrs

him about Henry Bur-
ton, who is Mamma's
own Brother. She was

married Patton. Her
mother's name was
befor she married, it was
Galloway. Had relatives
by the name of Hunt.

If any of my ancestors were
slaves I don't remember
hearing about it.

Mr. Union Miller, -

Kind Sir,

It has been some time
since I heard from you
about the Cherokee
Claims.

I heard in the last
news it would be
settled for good this
last week or day.

The reason I ask is,
that there are several fam-

But not related however.
Now if you have writ-
ten and being to Edith Pearl

has received it. If you

received any news since
then -

 a mistake in your

He was born in 1819 in Fairfield district, S.C. My father came out west in 1855. He moved from S.C. when he was a boy to near Augusta Ga. My father claimed to be 1/4 Cherokee Indian. My father claimed his Indian descent through his father, Luke Blowfort. He died during the war, near Augusta, Ga. My grandfather could not associate much with the Indians down in Ga. because at this time the Indians had all been driven out of that part of the country. He got his Indian blood through his mother, Elizabeth Guinn. Neither my father nor grandfather got any money from the Government in 1852. My father lived in Ark. and did not mix up with the Indians in any way. I have a number of brothers and sisters but they none of them have applied, because they had tried to get lands and were discouraged.

In re Francie Campbell and 1 minor child
Roll #6559

Hon. Guion Miller,
Special Commissioner of the Court of Claims
Eastern Cherokee Enrollment
601 Ouray Bldg Washington D.C.

Dear Sir:-

Francie Campbell has recently departed this life. Is the appointment of an administrator necessary for the collection of her share.

Is it necessary to appoint a guardian in order to collect the minor's share, or will the money be paid to the father.

What is the reason only one child of Francis Campbell was enrolled? She has three adult children.

When and where will this money be paid?

The heirs of Francis Campbell have employed us to collect their money for them, hence the foregoing inquiries.

Very truly yours,

App. No. 29189.

October 27, 1909.

H. L. Westphal,
Chickasha,
Oklahoma.

Sir:

Replying to your letter of October 18, 1909, relative to the enrollment of Francis Campbell and her minor child, you are advised that it will not be necessary for an administrator to be appointed at this time. The Court has not yet entered a final order as to the method of payment, but I am satisfied from the previous action of the Court that they will not require formal letters of administration or guardianship, but will have the money paid direct to the person having the care and custody of the minor child.

You make inquiry as to why the other children of Francis Campbell were not enrolled, stating that she had three adult children. As you do not give the names of these children, I am unable to tell whether they have been enrolled, but the application of Francis Campbell did not make any claim for these children, nor could she properly have done so if they were of age, nor did she even name any children then the one minor child who is enrolled.

It is impossible at this time to state just when this money will be distributed, but I hope it will be done some time in the late winter or early spring.

Hon Guion Miller
Special Commissioner of the Court of Claims

Dear Sir:-

In reply to your communication of March 8th you are respectfully advised that the clients whom I represent are the estate of Francis Campbell, Roll No 6559 and her one minor son. This woman died subsequent to her enrollment.

I presume it will be necessary to have administrator appointed to collect the money due her, and to have guardian appointed for the minor. These parties now live in Pittsburg County.

On receipt of further advice from your office I will arrange to have my clients meet me at McAlester and will there take such steps as you suggest.

Kindly let me have full instructions at your early convenience
very truly yours,

In reply to your request
about my son Thomas

Me and my wife parted
three years ago last Jan-
uary. She is a good woman
alright enough. But she
is ignorant. I labored
five years straight for them
her and three grown boys
and one sister and her papa.

There was not any interest
to me to support a family
like that

[2]

So I just drooped off and let them do the best they know how. I made a good living for my wife and child if it weren't for her folks I tried and build me a good house for us to dwell but I failed to get her to move in. So I will just leave it to you what ever is best.

I will tell you what I think about it. I would let the money remain in the office till he get of age. I would go back to North Carolina to keep up the boy if not select a guardian for him which

(3)

I would not think it
is safe to let the money
go in the hand of his
mother. If it is my say
so I would prefer for
you to hold the money
in the office till my
boy Thomas gets of
age or further notice.
I am your friend

Appln. No. 29213.

John J. Jackson, ---- Being duly sworn,
deposes and says:

My name is John J. Jackson. I am 73 years old. I live in Oconee Co., S. C. I was born here. Part of the time I have lived in North Carolina, say 20 years. I never received any money from the Government. I never heard of it as it was before my time. I am about 1/4 Cherokee. I lived in ~~the~~ in South Carolina in 1851. My people I reckon enrolled in 1851. I do not know why I was not enrolled. I did not know anything about it. I claim through my mother. Millie Jackson was her name. She never married. She died when I was small. She was never known by any other name. She lived and died near Oconee station, S. C. My mother did not go to Arkansas with the rest. My mother's father was Fred Jackson and her mother Mary Jackson. They were full Indians as far as I know. I never heard them talk about the treaties of 1835-6 and 1846. One of my brothers was named Wash. He is dead. I cannot remember any further back than my grandparents. I have been always ~~known~~ recognized as part Indian. All my people left and went away off, Fred Jackson, and the rest. I had an uncle Tom and Clark Jackson and they all went to Arkansas. I do not know that they ever had any other names. Miles Jackson was my cousin. I never lived with the Indians. I used to go see them.

Honorable C. B. Slamp,
House of Representatives,
Washington, D. C.

Sir:

Your letter of February 28, 1908, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

You inclose a letter from Mr. W. W. Sawood, making inquiry relative to applications filed by his family for participation in the Eastern Cherokee fund.

In reply you are advised that we cannot state at the present time whether these parties are entitled to share in the Eastern Cherokee fund, as their applications have not been reached for final determination.

It is also impossible, at the present time, to state when the money appropriated for the payment of this judgment will be distributed. It will first be necessary to have a complete enrollment of all those entitled to share in the fund, and to have this enrollment approved by the Court of Claims. Until this is done no money can be distributed.

As there are over 44,000 applications on file in this office it will necessarily take considerable time to complete

#2--Hon. C. B. Slemp:

this work.

If any further information is required in connection with Mr. Cawood's application he will be duly notified.

Mr. Cawood's letter is returned, herewith, as you request.

Sir:-

In connection with the enclosed form I desire to submit the following facts:

My father has a negro and an Indian blood comes to me through my mother. She was a native of Caswell County in this State and from her I got the information that her mother was a negro of that county and her father was an Indian of the Cherokee tribe of this State who came from the western part of the State about 1800 and lived in Caswell County with my ~~xxxxxx~~ grandmother, as husband and wife. What his Indian name was I do not know. He was known in Caswell County as "Indian John".

I have no record of the family except what was told me by my mother, but she and her children showed plainly the Indian blood in color, features and hair.

Respectfully,

James H. Sizemore,

Martin,

North Carolina.

Sir:-

Replying to your letter of August 5, 1907, you are advised that your adult children should file separate applications.

You are further advised that the applications for participation in this fund have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications are all filed, it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 33,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated.

You will be notified if there is any further information required in connection with your application.

Very respectfully,

NLC.

James H. Sizemore being first duly sworn deposes and says:

I am 67 years of age, and was born and raised in Yadkin County. I have lived here all of my life. I suppose I have Indian blood, as my grandfather was called an Indian doctor. I have never lived with the Indians, and have never received any money from the government on account of my Indian blood. I have never been enrolled as an Indian. My father was Isaac Sizemore. He died about 1841 or 1842 or 1843. He lived in Yadkin most of his life. He was born in Virginia in Halifax County, and after his marriage moved to Yadkin County. My father lived in Yadkin County in 1851. I suppose he lived in Yadkin County in 1845. He never received any money from the Government on account of his Indian blood. I never heard him say to what tribe of Indians he belonged. I suppose he was a Cherokee Indian. He was just a boy when he moved from Virginia to Stokes County, and then moved to Yadkin County. John Sizemore was the father of Isaac Sizemore. He was never called anything else except Dr. Johnny Sizemore. I think they called him the old Beard Doctor. He was born in Cherokee it was said. He died about 1880, I think. In 1851 he lived in Stokes County, and lived there in 1855 also. He came from Virginia to Stokes County. My great grandfather (I think his name was John) he went to Virginia from Cherokee and my grandfather went with him as a boy, and they came from Virginia to Stokes County. My father was 21 years of age at the time of the Jackson War and was drafted. ~~xxxx~~ I do not know how long my grandfather was in Virginia at the time of the birth of Isaac Sizemore, but they stayed there long enough for Isaac to see some Virginia. Dr. Johnny Beard, had fair skin and dark eyes, and light hair I remember him. He lived with my father right smart while before he died. I have heard my grandfather say that he was an Indian, but I can't recollect him telling of what Indian he was, but he said he was ~~xxxxxx~~ from Cherokee. Dr. Johnny Beard also in Stokes County. My father voted. He was mistreated. I was also mistreated. My grandfather, John Sizemore, had two brothers, brothers. I think they were George, Ed and Joel. I do not remember that he had any sisters. Joel H. Sizemore, is the Joel referred to above as a brother of my grandfather. I never saw Ed Sizemore, and do not recollect where he lived. I do not know Missouria St. Leon. I heard when I was small that Isaac Sizemore had Indian blood. My grandfather, John Sizemore, married a Poindexter as well as I recollect. I do not know her first name. I claim my blood through Isaac and John Sizemore, back to my great grandfather. I never heard of my grandfather or great grandfather ever having any other wife. My great grandfather lived in Virginia, but was born and married in Cherokee, and then moved to Virginia, when my grandfather was a small boy. My grandfather, John, told me this. I have heard it said that my great grandfather, John Sizemore, was a captain in the Revolutionary War, fighting with the Colonies.

I never claimed the right to land with the Cherokee Indians in Indian Territory. I have never before claimed any rights as a Cherokee Indian, but other members of ~~family~~ my family did about 15 or 20 years ago. I never heard whether they got lands or not. There were said to be Indians living in Stokes County. Some of them were called Sizemore, and some Fortners. They lived as citizens and voted. They and their descendants still live there. They never received any money from the government. My brother, Robert Sanders Sizemore, did not file application, as he was too late. Leah Harris, of Yadkin County, Rachel Oaks and Kaziah Stallings are my sisters and have filed applications. I have always been called Indians in the community in which I have lived. They just said we were part Indian, and did not mention the tribe.

Dear Sir ;

Your card of 27 is at hand. In reply will say please give me some information concerning the Cherokee fund. I want to know if it is necessary for my children to make application for each one, if so you will please write me at once. I suppose you know by my application whether I will draw anything or not. If there is anything due me you will please give me some idea about the amount and I will make you an offer on the same for looking after it for me.

If Earnest Sizemore draws anything you will please send it to me. He is under age and I am his grandfather and I will look after it for him. When do you think the decision will be made on this matter?

I remain your friend,

James H. Sizemore.

Mr. Miller,

Ouray Building,

Washington, D. C.

Will drop you a few lines. Would be glad to hear how you are getting along with the fund. Frank Sizemore is in Bristol, Tenn. He is Isom Sizemore's grandson. He did not hear of this in time to put in his application. He asked me to write this to you and for you to let him share with balance.

Mr. Miller I want to tell you what some of the democrats said about you men at East Bend, N. C. They said you would give that money to who you wanted to for you was all Yankees. If that be the case I would like to have a good share of it. If I could have my way the democrats would get but little.

If you will take a bribe I will give you and Mr. Tylor 10% on all you will send me. If we are entitled to any money you will please write me as soon as you find out.

Will close,

ask you if you had any
time set to pay out that Eastern

think that they will be to
the need. I wish if it would
not be to much trouble you
would write me the amount

App. No.29264.

Mary C. Jones,
Hillside,
Oklahoma.

Madam:

Replying to your letter of December 30, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

There have been a large number of exceptions filed to my report, and these will not be taken up for final disposition until January 10, 1910, and until the roll is finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be ascertained until the final roll has been approved and the exact number enrolled determined. However, it will probably not amount to over \$130.

Very respectfully,

Special Commissioner.

Fugate Miller, Special Com.

Dear Sir:

I would like to ask if the distribution of the fund belonging to the Eastern Cherokee has been made. I have an application for participation in the fund but as I have heard nothing from it for so long I have decided to ask concerning it. If the distribution has not been made when is it liable to be done?

My claim number is 29,271.

Yours truly,

John M. Davis.

Sabrina Worley being First July sworn, Larsons and

My name is Sabrina Worley. I live at Fort Gibson, Okla. I claim my Cherokee Indian blood through my father. I made appl. for land out here in L. T., but it was too late. My mother was a white woman. My father's name was Nathaniel T. Paul. He was born in N. C. in 1820. He lived among the Indians. He moved to Va. from N. C. when I was about 6 years old. I was born in 1862. He was a recognized member of the tribe in N. C. I could not tell you whether he was ever enrolled. My father never rec'd any land from the Govt. and if he received any land I don't know it. I don't know whether he was a party to the Treaty of 1835 or not. I have heard him speak of the Treaty, but I cannot remember what he said about it. I heard him say that he started out here, but his money gave out. That was about when I was 6 years old. My grandfather came out here when my father was quite small. ~~xxx~~ As near as I can remember my father was about 6 years old. My grandfather's name was Tom Bearpaw. I don't know what district he moved to out here. My grandfather lived in Vian, and that is Illinois District. My father ^{stayed} with a man by the name of Ansel when my grandfather came here. My grandfather left grandmother. I don't know whether my grandfather was an Old Settler or not.
